Illustrated Catalogue
OF THE
WALTER HEYWOOD CHAIR CO'S
CHAIRS,

FITCHBURG, MASS. U.S.A.

WAREHOUSES,

NO 442 PEARL STREET,

NEW YORK CITY.

Gentlemen :

Having exhausted our last edition and desiring to bring to your notice a variety of New Styles, we are compelled to issue a new catalogue.

While adhering to most of the old standard styles, which never fail to meet the requirements of the Trade, and can hardly be improved upon, we feel that the taste for the prevailing style must also be catered to ; and you will perceive in this issue **Many New Designs**, especially of the **Queen Anne Pattern**, which will meet the present want and which we offer for your kind consideration.

Our Goods are made both for **Export** and the **Home Trade**, each receiving the special attention it deserves, and we are prepared to make to order at short notice other styles as our customers may require.

Yours, Respectfully,

WALTER HEYWOOD CHAIR CO.

New-York, 1880.
